OUR POLICY

Please remember this summer camp is created to provide students the opportunity to excel in learning in the areas of math, reading, writing, and technology. There will be a final Family Presentation Night on Thursday, July 2nd at 6:00pm. There are only 30 students that will be given the opportunity to experience that camp. Please do not turn in an application if you and your family are planning on being out of town or on vacation during the camp days. If someone signs up to come and is absent several days, then they will be taking a spot from someone else who would like to have the opportunity to attend. If your child is sick, please do not send them to camp. There is no nurse available and if they come sick, you will be called to pick them up.

The students will be selected based on performance and behavior in the classroom.

Your child is being invited to participate based on their performance within the classroom and their outstanding behavior. It would be a privilege to work with them this summer.

Please fill out the application and return it no later than
