Join us for a week of entertainment as we escape from our daily lives into a world of fantasy. We will read Cinderella fairy tales (and others) that will allow us to explore the lives of young women (and a few men) all over the world who are hoping to find true love, joy and happiness and live happily ever after...OR NOT!

Stories full of action, suspense, magic, violence (even in a fairy tale) and of course....romance!

Meet Yeh- Shen from China (the oldest version of Cinderella) Princess Furball from Germany, the Turkey Girl a Zuni Cinderella, Cendrillon from the Caribbean, the wild western Cinder-Ellen, Cinder Edna a modern Cinderella and Cinderlad an Irish male who wins the heart of a princess and many more....

We will spend the week reading, writing, learning and.... doing lots of other FUN activities. Arts and crafts, cooking, games, drama, movies, computer projects and much more!
