Dear Parents

We have scheduled the H1N1 Vaccinations for the Fort Stockton ISD. Please feel free to come to your child's school on the day and time that we will be giving your child his/her vaccination. It is not a requirement that a parent be present during this school clinic.

Remember that any child who is 9 years old or less will have to receive 2 vaccinations; we will notify parents when the date for the second dose is to be administered. Therefore, Apache, Alamo and Intermediate Schools will have a second administration date.

If you have any questions, please call your child's school and visit with the school nurse.

Alamo Elementary

February 5 at 8:30 a.m.

Apache Elementary

February 5 at 10:30 a.m.

Intermediate

February 19 at 8:30 a.m.

High School

February 19 at 10:00 a.m.

Middle School

February 19 at 11:30 a.m.
