

WebCCAT ACCESS

<http://webccat.org>

Click on the WebCCAT link (above) or type it in the URL box when you bring up your Internet browser, and log in. Enter the **“username and password”** you created last year (click in the text boxes the yellow arrow is pointing to in the diagram below).

If you forgot your password, click on the **“Forgot Your Password?”** link (red arrow in diagram below), and it will email your password to the email address you inputted last year.

If you forgot your username and password, click on the **“Create New Account”** (green arrow in the diagram below).
