Fort Stockton I. S. D.

Piñon Summer Camps

2012

After reviewing the summer camp surveys from students, parents and teachers, the following guidelines have been implemented. We are hoping that these guidelines will help to improve participation by students and teachers.

All Fort Stockton Piñon Summer Camps will be held June 4 to June 29, 2012. You may decide if your camp will be one, two, three or four weeks long.

The camps will adhere to a four day week, Monday-Thursday. The time schedule will be 8:30-2:00.

Breakfast and lunch will also be offered to each camp participant.

When planning your camps, a ratio of one teacher to ten students will be allowed. If you and a fellow teacher plan for 20 students and only ten students apply, then only one of you will be able to teach the camp. **If you are planning a camp for kindergarten thru first grade you may follow a 1 to 5 ratio if you are utilizing assistants rather than certified teachers. If you are using certified teachers, then the ratio of one to ten will apply.**

You will be allowed 2 extra six hour days for planning and preparation prior to the beginning of your camp and one hour of prep time per day during the length of your camp.

Teachers will be paid \$30 an hour.

Assistants will be paid \$10 an hour.

High School student helpers will be paid \$8 an hour.

The deadline for Summer Camp Course Applications is February 24, 2012.

We had some wonderful camps last summer and we hope to have more this year. I hope you will take time to consider participating in this year's Piñon Summer Camps.
