

Setting up Your FSISD Email Account on Your iPhone

Click Settings, then mail, contact, calendars, add account, choose **Other**.

Then add your district information:

Account: On

Name: first last

Address: first.last@fsisd.net

Description: whatever you want

Incoming Mail Server:

Host name: mail.fsisd.net

Your username: first.last

Your password: your email password/digits

Outgoing mail server:

SMTP is cwmx.com

Click done. It may take a long, long time to complete. Just let it finish configuring and you should be good to go.
