Mrs. Rojas

Welcome to 2nd Grade!

I am very excited to be one of your child's teachers this year! We are going to learn, grow, and have fun! My goal is to help your child mature in their mathematical skills, learn about science, be a great citizen, and person. Each student is a vital part of my classroom and I can't wait to work with them.

A Little Bit About Me....

I grew up here in Fort Stockton, and have lived here all my life. I am the proud mother of four children, and two grandchildren.

This will be my 28th year teaching for FSISD. When I'm not teaching I love traveling with my family & watching my kids play sports.

Educational Background...

I graduated from Fort Stockton High School. I attend Sul Ross State University and graduated with a Bachelors of Science in Education and in Early Childhood.
