

## Want to See How Your Student Did on STAAR tests? There is a website for that.

STAAR reports cards are published for all students after every STAAR administrations for grades 3-8, End of Course tests, and TELPAS. The Student Portal is accessible in English as well as Spanish. Parents can go online and look up their student's scores at [texasassessment.com](http://texasassessment.com). The student portal can also be accessed at [fsisd.net](http://fsisd.net).

Parents can access their student's results using the following steps:  
Follow these steps:

- Go to [texasassessment.com](http://texasassessment.com)
- At the top of the page, click **For Families**. To continue in Spanish, click **En Español**.
- If you do not have the student's access code, click on **Find My Unique Student Access Code**.
- Enter the student's first name, PEIMS ID (social security or state-assigned number), and date of birth.
- Click **Go**.
- An access code will populate the PEIMS ID box; click **Go** again
- To see the results of each test by subject and grade level, click on the link bearing the test name and grade level.

STAAR scores are reported in four performance levels: **Masters Grade Level** - Mastery of the course knowledge and skills is shown - student is on track for college and career readiness. **Meets Grade Level** - Strong knowledge of course content - student is prepared to progress to the next grade level. **Approaches Grade Level** - Some knowledge of course content, but may be missing critical elements - student needs additional support in the coming year. **Did Not Meet Grade Level** - No basic understanding of course expectations is shown - student may need significant support in the coming year.

Student Report Cards will not be sent to parents. If you do not have Internet access to obtain a paper copy of the Student Report Card or have any questions regarding your student's performance, contact your student's campus principal. For information about how to login to the Student Portal, see the Student Portal Guide at [fsisd.net](http://fsisd.net).
